

# WorshipMania! - Update

What a thrill it was to experience an evening of praise and worship of our Lord through WorshipMania! last Friday night.

There truly was an attitude of “mania” - *(an intense enthusiasm for worship)* as we had prayed. The Sanctuary at Calvary was nearly filled as the Body of Christ around the island came to an evening completely dedicated to the simple praise and worship of our Lord and Savior. It served to unite and ignite the hearts of those in love with Him.

We were so blessed to have “The Katinas” with us to lead us in praise. These guys have such humble hearts and have been used by the Lord around the world. Their love for and passion for Jesus was truly contagious and their songs brought us to His throne as the sweet sound of worship filled the Sanctuary. Is there a better sound than that? Probably only in heaven.

Worship Team also joined us. All of the attention was placed upon the Lord as they shared their special gift for leading others into the presence of the King.

Francis shared from God’s Word and lives were re-dedicated to the Lord that night. We pray each and every one will continue their walk with a new fire in their hearts. The Lord’s Holy Spirit truly did minister to each and every heart in attendance. And we know that the Lord was glorified as we gathered to lift His Name on high.

Thank you for all you did to make WorshipMania! a wonderful evening. What was once faith, was before our eyes and all we could do was bow and thank the One who made it all possible...Jesus. May our lives continue to be a praise to Him as we worship Him in Spirit and in Truth.

We love you all and pray you have a wonderful Thanksgiving. We will stop and give thanks for you. - Francis & Patty
